

# Am I Wrong

## Saint Rich

Well, I talk too much to myself  
And I turn my back on my faith  
It's like glass when we break  
I wish no one in my place  
And I've seen  
You don't need their scenes  
When the cut goes in deep  
And I'm lost in sleep  
I can't stay in this place  
I can't stand when the room  
Turns round on my fate  
You give no guarantees  
There's no promise I can keep  
I can't stand  
I can't see my way  
I feel blind on my feet  
I can't stay too long  
Am I wrong?  
Goodbye, lay the blame on love  
I'm so tired of my mood  
And sleep comes with a knife  
Fork and a spoon  
You're so pale in your face  
You let life get in your way  
And I've seen  
You don't need their scenes  
When the cut goes in deep  
And I'm lost in sleep  
Am I wrong?  
Goodbye, lay the blame on love  
Goodbye, lay the blame on love  
Goodbye, lay the blame on love  
Goodbye, lay the blame on love
