Smokin' Love (feat. Collie Buddz)

Stick Figure

Small world we're livin' in, rock sittin stone.
One life I've been livin in, come on lets go.
I wanna get high, I wanna get low,
Come on, I wanna smoke a little spliff with you.
I wanna get high, I wanna get low,
Come on, I wanna smoke a little spliff with you.
Lord knows I'm not a fool,
I'm just crazy for you.
I can feel it in the way things go,
Lord what I'd do.
I wanna get high, I wanna get low,
Come on, I wanna smoke a little spliff with you.
I wanna get high, I wanna get low,
Come on, I wanna smoke a little spliff with you
Smoking
Smoking love

When I'ma smoke it wit chu.
And spend a little time inside,
Roll it up, girl you know what to do.
I wanna get high, over the moon, on the left side, pass it over to you.

I wanna be alone with you,
And get all stoned.
I wanna go home with you and live alone
I wanna get high, I wanna get low,
Come on, I wanna smoke a little spliff with you.
I wanna get high, I wanna get low,
Come on, I wanna smoke a little spliff with you.
