

# Don't Know How to Stop

## Halestorm

Head lights, red lights, got it in my sights  
Nothings in my way, No sound, hush now  
Push the pedal down, got no time to waste  
It's a long way home, You just crossed a borderline  
When I say go, You know you better hold on tight I don't know how to stop, I give it all I've got  
It's like my brakes are shot, I gotta have too much  
I don't know how to stop, Gets crazy but so what  
You know it's what you want so give it up  
And Don't be scared of how good it feels One speed, full speed that is all I need  
They can eat my dust, hell yeah, rock on  
Will you come along, Do I have your trust?  
It's a long way down, If you're getting this high  
When I say now, you had better hold on tight  
Now! I don't know how to stop, I give it all I've got  
It's like my brakes are shot, I gotta have too much  
I don't know how to stop, Gets crazy but so what  
You know it's what you want so give it up  
And Don't be scared of how good it feels  
Tell me how good it feels, You know you don't want me to  
(I don't know how to stop) And now that I'm here with you (I Don't know how to stop)  
Here's what were gonna do (I don't know how to stop)  
You know you don't want me to yeah!  
(I don't know how to stop) How good it feels, tell me how good it feels  
Don't be scared, scared, scared, Scared of how good it feels I don't know how to stop, I give it all I've got  
It's like my brakes are shot, I gotta have too much  
I don't know how to stop, Gets crazy but so what  
You know it's what you want so give it up  
And Don't be scared of how good it feels  
Tell me how good it feels, I don't know how to stop...  
How good it feels.  
I don't know how to stop  
I don't know how to stop  
I don't know how to stop
