

Nothin' to Lose

Kiss

Before I had a baby
I didn't care anyway
I thought about the back door
I didn't know what to say, yeah, yeah
But once I got a baby
I, I tried every way
She didn't want to do it
But she did anyway, yeah, yeah
But baby please don't refuse
You know you got nothin' to lose
(You got nothin' to lose)
You got, got nothin' to lose (well nothin')
You got, got nothin' to lose (yeah baby)
You got, got nothin' to lose (wohoo)
You got, got nothin' to lose (you g-g-g-got nothin')
You got, got nothin' to lose (well come on mama)
You got, got nothin' to lose (yeah shake your huh)
You got, got
You got, you got, you got nothin' to lose
So now I've got a baby
And we've tried every way
You know she wants to do it
And she does anyway
But baby please don't refuse
You know you got nothin' to lose
(You got nothin' to lose)
You got, got nothin' to lose (yeah baby)
You got, got nothin' to lose (ha ha ha ha ha ha yeah)
You got, got nothin' to lose (you feel so good)
You got, got nothin' to lose (well come on mama)
You got, got nothin' to lose (ch-ch-ch-ch-ch yeah)
You got, got nothin' to lose (well come on)
You got, got
You got, you got you, got nothin' to lose
You got, got nothin' to lose
You got, got nothin' to lose (ooh baby)
You got, got nothin' to lose (yeah)
You got, got nothin' to lose (yeah)
You got, got nothin' to lose (oh you g-g-got, baby)

You got, got nothin' to lose (shake it honey)
You got, got nothin' to lose (oh you know you're a sweet thing)
You got, got nothin' to lose (oh really mama)
You got, got nothin' to lose (yeah you really can move it)
You got, got nothin' to lose (oh you g-g-got nothin')
You got, got nothin' to lose
(Yeah shake it, shake it, shake it, shake it)
You got, got nothin' to lose
You got, got nothin' to lose
You got, got
