## Momus

(TARQUINIUS) - O Dr Faust I've got a pain  
Where I sit on the throne  
Where an Englishman's home is his kingdom(FAUST) - Mr Tarquinius of Romford  
You've got blue blood on the brain  
But I know a Roman sanatorium  
Where they'll cure you with a story  
From 2500 years ago:The Rape of Lucretia(TARQUINIUS) - O Dr Faust  
Abroad I shall not go  
The past, so they say, is a foreign country  
And abroad equally  
(FAUST) - Mr Tarquinius of Romford  
Since you stubbornly insist  
I'll administer the history of democracy  
Beginning when a woman was done by the son of the king:The Rape of LucretiaRomulus and Remus  
Orphans of the forest  
Grow to their majority  
Throw up their hands in horror  
The democratic gesture  
When Sextus puts his Sextus where no king should be  
Singing "We who are about to die salute thee!"The Rape of Lucretia(TARQUINIUS) - O Dr Faust  
I should've guessed  
That a doctor named after the self-confessed lover  
Of Mephistopheles would say "Take two of these after meals"  
And mean leeches - for all your fine speeches  
Your anthem is "Where the beast sucks there suck I"  
(FAUST) - Mr Tarquinius of Romford  
You may set your mind at rest  
My soul's not with the devil but the NHS  
And although I am loathe to  
I've taken an oath to  
Cure people like you who think SPQR stands for  
"Sense Prevents the Queen's Removal"The Rape of LucretiaRomulus and Remus  
Orphans of the forest  
Grow to their majority  
Throw up their hands in horror  
The democratic gesture  
When Sextus puts his Sextus where no king should be  
Singing "We who are about to die salute thee!"The Rape of LucretiaRomulus and Remus  
May your example lead us

Your brotherhood and merit be our guiding force  
You ushered in democracy, you understood that monarchy  
Stands by incest, falls by sexual intercourse  
We'll be singing: "We who are about to die salute thee!"The Rape of Lucretia
