

Listen To My Heart

Gareth Gates

Endlessly
Every time I look into your eyes
I see forever
I don't know why
But every time we touch I feel alive
There's nothing like it
People say that love can't be that strong
You might just believe it
Let me show you, I can proof them wrong
[Chorus]
Listen to my heart beat for you
Telling you that I adore you
If you wanna know how much I feel inside
Listen to my heart come closer
Let me wrap my arms around you
There's nothing I can do
I'm so in love with you
Just listen to my heart
All my love
You really need to know that you're mine
I'm spending the lifetime
My whole life
There's nothing gonna stop us
cause we are
A once in a lifetime
People say that love can't be that strong
You might just believe it
We can show you, we can prove them wrong
[Chorus]
I can't tell you what our future holds
But as long as we're in love
We're in life
[Chorus]
