

England Skies

Shake Shake Go

You're used to grey England Skies
Cloudy days, colder nights
And your heart's not right
Thought you'd be quite happy there
In that warm NewYork air
But your heart's not right
But if you sing along with me do you think you could ever smile
Again?

If you sing this melody
Do you think you could laugh again
My friend?
Just try for me...

[illegible]

Not for your heart or mine
I know time is never kind
You missed your warm winter boots
Say the tea's not as good
But you'll be alright
Everyone is going out in summer hats and colored T-shirts now
Take a walk around the park
I know it will be better soon somehow
Just try for me

[illegible]

Oh, oh, oh, oh, oh, oh, oh, oh, oh, oh, oh, oh, oh, oh, oh, oh
