Unbreakable

Conchita Wurst

Without a warning or reason why
He walked away with no goodbye.
He was your everything
That's what you thought
Till he tore your heart out and ripped it upBitter memories without a cure
How did you pull yourself off from the floor?
You lost the battle but not the war
Look at you now!
Look at youFrom the pieces of your shattered world
You made a grit into a pearl
Now you shine, you're beautiful
You're unbreakable.
And nobody can hurt you now
No, nobody can bring you down
'Cause you're strong, you're beautiful,
You're unbreakable.Now in the mirror who do you see?
You're not the one you used to be, so naive
The story's over there once upon
You turn the page now you're moving onBitter memories they have no end
When you decided not to look back
You lost the battle but that was then,
So look at you now!
Look at youFrom the pieces of your shattered world
You made a grit into a pearl
Now you shine, you're beautiful
You're unbreakable.
And nobody can hurt you now
No, nobody can bring you down
'Cause you're strong, you're beautiful,
You're unbreakable.That's what you are
Invincible, inside your heart
You lost the battle, but healed the scars
Now you're unbreakableFrom the pieces of your shattered world
You made a grit into a pearl
Now you shine, you're beautiful
You're unbreakable.And nobody can hurt you now
No, nobody can bring you down
'Cause you're strong, you're beautiful,
You're unbreakable.
