Wait for It

Samantha Jade

Hold up, I'm on it
Don't trip, get some moment
Let's just be here, 'cause we're blowing
Don't rush where we're goingCan happen in any day
And it will all fade away
That's the kind that we
Uh, I want your love
Just wait for it!Don't wonder, ain't going nowhere
And maybe that could last forever
Let's stay here and do whatever
Time doesn't matter, you're my lover!
(Ooh ooh ooh ooh oh oh)
Just wait for it
(Ooh ooh ooh ooh oh oh)I want what you wanted
But I try to control it
'Cause I love how, how we're moving
Let's just do what we're doingCan happen any day
And it will all fade away
That's the kind that we
Uh, I want your love
Just wait for it!Don't wonder, ain't going nowhere
And maybe that could last forever
Let's stay here and do whatever
Time doesn't matter, you're my lover!
(Ooh ooh ooh ooh oh oh)
Just wait for it
(Ooh ooh ooh ooh oh oh)
Can happened any day
(Ooh ooh ooh ooh oh oh)
And it will all fade away
(Ooh ooh ooh ooh oh oh)
That's the kind that we
(Ooh ooh ooh ooh oh oh)
Just wait for it!
Just wait for it!
Yeah, just wait for it!(Ooh ooh ooh ooh oh oh)
Just wait for it!
(Ooh ooh ooh ooh oh oh)
Just wait for it!Don't wonder, ain't going nowhere

And maybe that could last forever
Let's stay here and do whatever
Time doesn't matter, you're my lover!Don't wonder, ain't going nowhere
And maybe that could last forever
Let's stay here and do whatever
Time doesn't matter, you're my lover!
