No One Wins the War

Reuben

You try my patience
And I break your outer shell
It's inside the sweetness
But you hide it so wellHell is for heroes
They got another single out
My contemporaries
Top 40 Smash no doubtIn times of trouble
I am argumentative
But I know I'll suffer
For as long as I'll liveAnd at the first sign of an argument
The first sign of a fightI crack under pressure
And my head feels like it explodes
I won't get so angry
Just another one of my episodesWhen I was younger
It seemed so obvious to me
With all of my problems
War-like was how I had to beBut everything changes
And I find with least exception you
If everything changes
I guess that I do tooIt's all lost now
So much has happened
And it's all a mess now
And all I've achievedAnd to my shame
And to my discomfort
I have never felt so relievedThat you will find me out
Yeah, you will find me out
Oh yeah, you!
You will find me outYeah, you will find me out
Yeah, you will find me out
Yeah, you will find me out
Yeah, you will find me outYeah!
Yeah, I'm ready!
At last, I'm ready!
Yes, I'm ready!
Ready!
