Welcome To My Party

Rusted Root

It ain't me
You were looking for
You stood upon it
And then you walked away
From the doorAnd I thought that bell would ring twice
but now I know for sure
that it ain't me
you were looking forWelcome to my party for ya
Welcome to my party for ya
Welcome
x2
To my party for youCause you hooked by heart
until it tore
I had to burn the house down
just to get through the door'Cause I thought that bell would ring twice
but now I know for sure
that it ain't me
you were looking forWelcome to my party for ya
Welcome to my party for ya
Welcome...
x2
To my party for youYou gotta bleed your own blood
to get on through that fire
You gotta ways to goWelcome x2
'Cause it ain't me, yea
Well it ain't me, yea
did you bait the love?
Welcome...Welcome
'Cause it ain't me, yea
