

# Whatever You Like

T.I.

Hey Jill  
You know them old sugar daddy  
They be trickin' they tell them girl I said you could have whatever you like (if you like)  
I said you could have whatever you like (if you like)  
Yeah [Chorus]  
Stacks on deck  
Patrone on ice  
And we can pop bottles all night  
And baby you could have whatever you like (if you like)  
I said you could have whatever you like (if you like)  
Yeah  
Late night sex so wet so tight  
I'll gas up a jet for you tonight  
And baby you could go where ever you like (if you like)  
I said you could go where ever you like (if you like)  
Yeah Anytime you want to pick up the telephone  
You know it ain't nothin' to drop a couple stacks on you  
Wanted you could get it my dear  
Five million dollar home, drop Bentley's I swear  
Yeah I want your body, need yo body  
Long as you got me you won't need nobody  
You want it I got it, go get it I buy it  
Tell 'em other broke niggas be quiet [Chorus] Shawty you the hottest love the way you drop it  
Brain so good (good) I swore you went to college  
Hundred deposit, vacations hit the tropics  
Cause everybody know it ain't trickin' if ya got it  
Ya need to never ever gotta go in your wallet  
Long as I got rubber band banks in my pocket  
Five six, rides with rims and a body kit  
Ya ain't gotta downgrade you can get what I get  
My chick could have what she want  
And goin' every store for any bag she want  
And know she ain't never had a man like that  
To buy you anything ya heart desire I that  
Yeah I want your body, I need yo body  
Long as you got me you won't need nobody  
You want it I got it, go get it I buy it  
Tell 'em other broke niggas be quiet [Chorus] I'm talkin' big boy rides  
And big boy ice

Let me put this big boy in yo life  
Ya thing get so wet, an' hit so right  
Let me put this big boy in yo life  
That's right  
I want your body, need yo body  
Long as you got me you won't need nobody  
You want it I got it, go get it I buy it  
Tell 'em other broke niggas be quiet[Chorus]Hey Jill(Hey Jill)
