

Too Close for Comfort

[Jamie Cullum](#)

Be wise, be smart, behave, my heart
Don't upset your cart when she's so close
Be soft, be sweet, but be discreet
Don't go off your feet, she's so close for comfort Too close, too close for comfort, please, not again
Too close, too close to know just when to say "when" Be firm, be fair, be sure, beware
On your guard, take care, while there's such temptation One thing leads to another
Too late to run for cover
She's much too close for comfort now Too close, too close for comfort, please, not again
Too close, too close to know just when to say "when" Be firm and be fair, be sure, beware
On your guard, take care, while there's such temptation One thing leads to another
Too late to run for cover
She's much too close for comfort now Too close, much too close
She's much too close for comfort now
