

# Hear Me Now

## Hollywood Undead

As I walk through the valley of the shadow of death  
I wear my crown of thorns and pull the knife out my chest  
I keep searching for something that I never seem to find  
But maybe I won't because I left it all behind  
Now I'm stuck with this and that'll never change  
Always a part of me until the very last day  
Where to go from here? What road to travel on?  
I spent my whole life choosing and I always chose wrong  
Will I try to have the will to be alive?  
Will I try because I've never seen the light?  
Lowered to the ground and it's now, you see  
You spent your whole life taking the best of me  
Where'd you go? Where's your home?  
How'd you end up all alone?  
Can you hear me now?  
There's no light, there's no sound  
Hard to breathe when you're underground  
Can you hear me now? Hear me now  
How low can I keep pretending to be?  
That all the stars in the sky could mean something to me  
Heaven will open up if I live on my knees  
A man of many words but a man of few deeds  
Walking these streets, so absent of hope  
A pillow of concrete, a man with no home  
Lend him a hand then we're walking the way  
Leave the virtue of pity, but we live with the shame  
So scared to dream in a world with no sunlight  
When you wake up, you know it's darker than last night  
Quickly we forget sacrifice gone by  
Born to walk away, been walking my whole life  
Where'd you go? Where's your home?  
How'd you end up all alone?  
Can you hear me now?  
There's no light, there's no sound  
Hard to breathe when you're underground  
Can you hear me now? Hear me now  
Look into my eyes and I see  
What do I see? Nothing at all  
Take another look around me

What do I see? Nothing at all  
Where'd you go? Where's your home?  
How'd you end up all alone?  
Can you hear me now?  
There's no light, there's no sound  
Hard to breathe when you're underground  
Can you hear me now? Hear me now  
Can you hear me? Hear me now
