It seems like every step I take up, drama comes along with the bread I cake up. But you ain't doing nothin if you don't have haters, so I welcome you to do what's in your nature.
Hook
I'm like a jet airplane, way too high to hear you throwing salt on my name. I know I'm not the only one if people love to hate you go and throw your hands up go ahead and spread your wings cuz you gotta fly above.
Chorus
I fly above all the drama, I I fly above, I I fly above, I I fly above, it's beneath me, it's beneath me, it's beneath me. So I fly above all the haters, I I fly above, I I fly above, I I fly above, it's beneath me, it's beneath me, it's beneath me.
