

Ruffle My Feathers (Bitrocka Remix)

Kylie Minogue

How could you
ruffle my feathers
How could you
twist my tongue
How could you
ruffle my feathers
How could you
make me start to rise but you won't get the best of me
you can't have an ego trip Now that I'm up
you pull me down
I won't give up
I'm still around
Now that I've lost
think you will win
Not giving up
or giving in
Why do you hang
your head in shame
I'll always know
I'm not to blame
Thank you for showing me the way
to everlasting, everlasting love How could you
try to define me
You know I'll
come undone
Think you'll give
shock of a lifetime
Because I
only just begun You didn't get the best of me
you can't have an ego trip
Now that I'm up
you pull me down
I won't give up
I'm still around
Now that I've lost
think you will win
Not giving up
or giving in Why do you hang
your head in shame

I'll always know
I'm not to blame
Thank you for showing me the way
to everlasting, everlasting love
Can you feel it, can you feel it (x4)
Now that I'm up
you pull me down
I won't give up
I'm still around
Now that I've lost
think you will win
Not giving up
or giving in
Why do you hang
your head in shame
I'll always know
I'm not to blame
Thank you for showing me the way
to everlasting, everlasting love
Everlasting, everlasting love (x2)
