Easy As Life

Tina Turner

No, no, no, no
Nothing is easyAll I have to do is forget how much I love him
All I have to do is put my longing to one side
Tell myself that loves an ever changing situation
Passion would have cooled and all the magic would have died
Its easy as lifeI try to forget how much I want him here
Let my tears slowly disappear
I cannot forget that my emotions die
Oh, I dont even want to tryNothing in life is ever easy
Nothing in love will ever run true
My heart will never stop believing
I still believe in what love can doAll I have to do
Is pretend I never knew you
On those very rare occasions
When you steal into my heartBetter to have lost you
When the ties were barely binding
Better the contempt
Of the familiar cannot stop
Its easy as lifeI try to forget how much I want him here
Then my dreams slowly disappear
I cannot forget that my emotions die
Oh, I dont even want to tryNothing in life is ever easy
Nothing in love will ever run true
My heart will never stop believing
I still believe in what love can doIt hurts to think about you
When I want to touch you
And how we would have been
If you were here with me todayThose very rare occasions
They keep on coming
All I ever wanted
Im throwing it awayNothing in life is ever easy
Nothing in love will ever run true
My heart will never stop believing
I still believe in what love can doNothing in life is ever easy
Nothing in love will ever run true
My heart will never stop believing
I still believe in what love can do
