## Doop

Like a weasel in the clover  
You tilt, toss, pop, turn over  
Sit down

Tremble, weave like a moth  
By flame deceived  
Sit down

Like a weasel in the clover  
You tilt, toss, pop, turn over  
Sit down

Tremble, weave like a moth  
By flame deceived  
Sit down

Spill with the words caught  
Dance in your room  
Slide like you're buttered up  
Roll back the tomb

Sit down, sit down, sit down  
When the thunder clouds sound  
Ants all scatter to high ground  
Sit down

Bolt scuff jilt chase circle riddle  
Shake in haste  
Sit down

Bolt scuff jilt chase circle riddle  
And shake in haste  
Sit down, sit down

When the thunder clouds sound  
Ants all scatter to high ground  
Sit down

Like a weasel in the clover  
You tilt, toss, pop, turn over  
Sit down

Tremble, weave like a moth  
By flame deceived  
Sit down

Spill with the words caught  
Dance in your room  
Slide like you're buttered up  
Roll back the tomb

Sit down, sit down, sit down  
When the thunder clouds sound  
Ants scatter, scatter to high ground  
Bolt scuff jilt chase circle riddle  
Shake in haste  
Sit down, sit down, sit down  
Like a weasel, like a weasel  
Sit down, sit down
