

Automatik (feat. Messinian)

[Datsik](#)

Automatik, I'm cinematic, the next level
Automatik, I'm cinematic cinematic
Automatik, I'm cinematic, the next level next level...Automatik, I'm cinematic, the next level
Visual king of the city, cartel pinnacle
Hood rail drama, my propaganda political
End to end burners transcend metaphysicalAutomatik, I'm cinematic, the next level
Visual king of the city, cartel pinnacle
8 pack, slap your genesis, hit a spit at you
Nothing but them heavy slums, guaranteed to get at youAutomatik, I'm cinematic, the next level
Automatik, I'm cinematic cinematic
Automatik, I'm cinematic, the next level next level...Automatik, I'm cinematic, the next level
Visual king of the city, cartel pinnacle
Third rail drama, my propaganda political
End to end burners transcend metaphysicalAutomatik, I'm cinematic, the next level
Visual king of the city, cartel pinnacle
8 pack, slap your genesis, hit a spit at you
Nothing but them heavy slums, guaranteed to get at you
