

Shadowland

Bruce Hornsby

Darkness is definitely fallin'
Movin' so slow I'm barely crawlin'
Here I sit dirt on my hands
Lying way out in the Shadowland Made my bed and here I lie
Try to hold my head up high
Lyin' to myself sometimes
Bad decisions but I-I won't cry Been down a long twisted road
Sensing myself at a record low
Do anything just to get ahead
Now it's all quiet here in this Shadowland In my Shadowland
I've done things I know were wrong
Proved down deep oh all alone
Sold my pride for a song
Lost my way but I'll go on (and I'll go on, on) Hmmm Hmmm Here I sit dirt on my hands
It's the only way out in the Shadowland In this Shadowland I looked around from beautiful things
Success I've found had a hollow ring
Not so sure for what I stand
All quiet here in the Shadowland Quiet here in the Shadowland Ohhhh in the Shadowland Hey... in the
Shadowland Hey, hey, hey, hey, hey, hey Umm yeah
yeah, yeah, yeah, yeah
yeah, yeah, yeah, yeah
yeah, yeah, yeah, yeah yeah, yeah, yeah, yeah
yeah, yeah, yeah, yeah
yeah, yeah, yeah, yeah
yeah, yeah, yeah, yeah Well...
