Jack Hammer

Tania Maria

John was a metal-headed monster
He caught a piece of the earth
Sometimes he flew off the handle
But that was his handleJack Hammer
C'mon, c'mon good buddy
He's Jack Hammer
Jonathan, Jonathan H A M M E RHe had a fist full of dirt
Had a shirt
He had boots, they were black
His fist came so close, she had a wind attackHe's Jack Hammer
He's Jack HammerMouth like a power saw
Head like a radio
Hand like a bear paw
Pants full of tadpolesHe's Jack Hammer
He's Jack Hammer
