

# Lost In Love

## New Edition

Would you love me when nights are cold?  
Would you love me when I grow old?  
Would you care? Baby, it's not easy  
Take me by surprise and say you're there  
Would you love me? Give me one more chance  
Would you love me? Try and understand  
Would you share a life that is music?  
Show me in your eyes that you'll stay with me tonight  
I'm lost in love, I can't live without you  
I'm lost in love, all my dreams around you  
I'm lost in love and it's true  
I can't live without you, oh, no  
Would you love me when I'm in doubt?  
Would you love me just to be around?  
Would you share my life that is music?  
Take me in your arms and sing my melody  
I'm lost in love, I can't live without you  
I'm lost in love, all my dreams around you  
And I'm lost in love and it's true  
I can't live without you, oh, no  
And I'm lost in love, say you really want me  
Love is a passion, it just can't hide  
And I'm lost in love, time and again and it hurts me  
You'll be my reason for starting again, again  
I'm lost in love, I can't live without you  
I'm lost in love and all my dreams around you  
I'm lost in love, I can't live without you  
I'm lost in love, baby, baby, baby, baby  
I'm lost in love  
Baby, I can't live without you  
I'm lost in love  
I'm lost in love, I'm lost in love  
Baby, I can't live without you
