My Desire

The Damned

My desire is your frustration
It's hard for you to take
The way I've changed
Your strange ways
Have left me cold and hollow
I know you never cared
But it scared the hell out of meNow it's coming clear to me
This fear is in my mind
It's opened up a can of worms
Open up my mindWell! curse this town
It's just no good for me
I'm gonna leave it all behind in pieces
I'm gonna walk a line
Yeah, get right out of here
If it's the last thing
I do I am leavingNow it's coming clear to me
The fear is in my mind
It's opened up a can of worms
Open up my eyesNow it's coming clear to me
The fear is in my mind
It's opened up a can of wormsNow it's coming clear to me
The fear is in my mind
It's opened up a can of worms
Open up my eyesNow it's coming clear to me
The fear is in my mind
It's opened up a can of wormsMy desire
My desire
My desire
