

# Ghost of You

Andy Timmons

Turn my back, to the door  
Feel so much better now  
Don't even try anymore  
Nothing left to loose  
There's a voice that's in the air  
Saying don't look back no where  
There's a voice that's always there  
And I'll never be  
Quite the same  
As I was before this  
Part of you still remains  
Though it's out of focus  
Your just somewhere that I've been  
And I won't go back again  
Your just somewhere that I've been  
I'm breathing in I'm breathing out  
Ain't that what it's all about  
I'm living life crazy loud  
Like I have the right too  
No more words  
In my mouth  
Nothing left to figure out  
But I don't think I'll ever break through  
The ghost of you  
And I'll never be like I was  
The day I met you  
To naive, yes I was  
Boy thats why I let you in  
Wear your memory like a stain  
Can't erase one of the pain  
Here to stay with me forever  
I'm breathing in I'm breathing out

Ain't that what it's all about  
I'm living life crazy loud  
Like I have the right too  
No more words  
In my mouth  
Nothing left to figure out

But I don't think I'll ever break through  
The ghost of you  
One of these days  
I wake up from this bad dream I'm dreaming  
One of these days  
I pray that I'll be  
Over over over you  
One of these days I realize  
That I'm so tired of feeling confused  
But for now there's a reason  
That your still right here in my heart  
I'm breathing in I'm breathing out  
Ain't that what it's all about  
I'm living life crazy loud  
Like I have the right too  
No more words  
In my mouth  
Nothing left for me to doubt  
But I don't think I'll ever break through  
The ghost of you  
I'm breathing in, breathing out  
I'm breathing in, breathing out  
Life I have the right to  
No more words in my mouth  
Nothing left to figure out  
But I don't think I'll ever break through  
The ghost of you
