

Love & Hate

Michael Kiwanuka

Standing now
Calling all the people here to see the show
Calling for my demons now to let me go
I need something, give me something wonderfulI believe
She won't take me somewhere I'm not supposed to be
You can't steal the things that god has given me
No more pain and no more shame and miseryYou can't take me down
You can't break me down
You can't take me downYou can't take me down
You can't break me down
You can't take me downLove and hate
How much more are we supposed to tolerate
Can't you see there's more to me than my mistakes
Sometimes I get this feeling makes me hesitateI believe
She won't take me somewhere I'm not supposed to be
You can't steal the things that god has given me
No more pain and no more shame and miseryYou can't take me down
You can't break me down
You can't take me downYou can't break me down
You can't take me down
You can't break me downI can see a place of trouble
And I'm on the verge
For the love of everybody
I did something wrongNow I feel some days of trouble (I would stay way)
In the hospital (I would stay way)
For the love of everybody (I would stay way)
But behind a wall (I would stay way)Standing now
Calling all the people here to see the show
Calling for my demons now to let me go
I need something, give me something wonderful
