I Believe

Nikki Yanofsky

There comes a moment
When my heart must stand alone
On this lonely path I've chosen
Like a house that's not a homeSometimes when I feel I've had enough
And I feel like giving up
You willed me to be all I can be
Now nothing can stop meI believe in the power that comes
From a world brought together as one
I believe together we'll fly
I believe in the power of you and IThis is the moment
We have dreamed of all our lives
We'll be the change we wish from others
We'll stand tall for what is rightAnd in my heart there'll be no doubt
The arms of the world will come reaching out
And embrace me to be all I can be
Now nothing can stop meI believe in the power that comes
From a world brought together as one
I believe together we'll fly
I believe in the power of you and II believe the time is right now
Stand tall and make the world proud
I believe together we'll fly
I believe in the power of you and I
I believe in the power of you and II believe, I believe, I believe in
I believe, I believe in you
I believe, I believe, I believe in
I believe, I believe in youI believe, I believe, I believe in
I believe, I believe in you
I believe, I believe, I believe in youI believe together we'll fly
I believe in the power of you and II believe the time is right now
Stand tall and make the world proud
I believe together we'll fly
I believe in the powerI believe in the power that comes
From a world brought together as one
I believe together we'll fly
I believe in the power of you and II believe the time is right now
Stand tall and make the world proud
I believe together we'll fly
I believe in the power of you and I
I believe in the power of you and I
