

The Ashram Song

Lauren Hoffman

Swami g lay your hands on me,
That I might be healed,
Bring your light up close to me,
So that I might see.Om shanti om shanti om shanti om,
Om shanti om shanti om shanti om.Swami g I'm your devotee,
Won't you come to my room,
I'll make sacrifices dear,
Get me in with god.Om shanti om shanti om shanti om,
Om shanti om shanti om shanti om.Preacher, prophet deliver me,
I'm a sinful girl,
Can I buy back my chastity,
With these rubies and pearls.Om shanti om shanti om shanti om,
Om shanti om shanti om shanti om.Om shanti om shanti om shanti om,
Om shanti om shanti om shanti om.
