U Get Me High

Tom Petty

Let's have another joint on me
Let's get as gone as we can be
And we'll float around the ceiling
'Cause baby you get me highLet's have a six pack of beer
Sit and watch the walls disappear
And we'll laugh and talk for hours
Oh baby you get me highLet's smoke a pack of cigarettes
Hey how 'bout a menthol?
You haven't had one of those yet
Yeah we'll laugh, and cough for hoursOh baby you get me high
Yeah baby you get me high
Oh baby you get me high
