Lonely with Me

Parachute

Baby you should never be lonely
But baby if you're gonna be lonely
Be lonely with meCheck one, two, radio, east coast, west coast
Gulf shore, Mid-west, Maine down to Texas
Deep South, up North, LA, New York
I'll be there, wherever you are
Yes because i'm only breathing when you're near me
Girl, your touch keeps my heart beating
Any time you ever need me
I'll be there wherever you areBaby you should never be lonely x2
But baby if you're gonna be lonely
Be lonely with me
And I don't ever want you to worry
I can run to you in a hurry
Sp baby if you're gonna be lonely
Be lonely with meYou could be in London, Rio, Paris, Tokyo,
Dubai, Beijing, Rome to the Philippines
Sydney, Kenya, Mexico to Canada
I'll be there wherever you are
'Cause there's nothing that they can do (oo oo)
That's ever gonna stop me from getting to you (yeah)Baby you should never be lonely x2
But baby if you're gonna be lonely
Be lonely with me
And I don't ever want you to worry
I can run to you in a hurry
So baby if you're gonna be lonely
Be lonely with meAnd I know it's a little bit crazy
But i'm just tryna cover my bases
I don't care where in the world you are
'Cause you know that it's not too farBaby you should never be lonely
Baby if you're gonna be lonely
Be lonely with meBaby you should never be lonely x2
But baby if you're gonna be lonely
Be lonely with me (Come be with me girl)
And I don't ever want you to worry
I can run to you in a hurry
So baby if you're gonna be lonely
Be lonely with meWe could float away on this dreamGet up and make a get away
