Shaving Your Head

Lagwagon

We used to watch them fall and we saw them
distraught but the attention that they got it
surrounds them for years we watched them enslaved
and we could only laugh what a loser what a shame
said we'd never play the... (chorus) and now it seems
you haven't learned the lesson i guess you have to
share the pain andnow your tainted blood leaves
stains behind your back and in thier words i hear
your shame how can you lie to me when in your eyes i
can see glazed and vacant as you're caught in the
act you've always wanted this now you feel the stab
are you happy to be sad is there pleasure in
the...(repeat chorus) as it make you sick do i make you
scared when you see what you once were as you're
shaving your head the scared boy thinks he's safe if
you can't read his eyes but you can read you can
read his eyes his lies
