

You Can't Fool Old Friends With Limousines

The Thrills

a hooker with a heart of gold
a cheap date that can't be sold
won't send you to an early gravebut Jesus looked down and said "son,
i know a doubter when i see one,
ambition stands out like a sore thumb"you just laughed and said
no one here forgets your pastthe meek had a meeting of minds
consistent hypocrisy..hey! that's alright
let's overthrow this old guard
