# Live In a Hole

## Big Black

No!
Huh!
Live in a room
An empty room
Four walls
White walls
I live in a hole
Huh!
No!
I live in a hole
Not some trailer park
I won't die
In a chip-to-lie?? home
I live in a hole
Huh!
Live in a hole
Huh! Hoh! Huh! Hoh!
Every day
I get less civilized
It's a lot of work
To dig in that hole
Hunh!
No!
