

Caroline (Savlem Remix)

Alex Clare

Leave your back door open for me and I
Put your keys in under the door on time
Seems we've been waiting for a long time
 My delay surely will be a crime
You know whether we can do anything
 I know that you can do everything
You said that we should try many things
Let's make an hour so we can do everything
 I can find a way to make you love me
 more than you do Caroline
I don't want to waste my time unless I'm loving you
My dear Caroline, Caroline, CarolineWe had each other for too short a while
 You caught my soul with your gentle smile
 I can swim in your eyes so deep
 Rest my lips upon yours so sweet
 You know just how I feel for you
 I know that my love is true
 I'ma tired, I've been feelin' blue
 Just let me do what I want to do
 I can find a way to make you love me
 more than you do Caroline
I don't want to waste my time unless I'm loving you
My dear Caroline, Caroline....CarolineI've tried all I can
 There's no getting through
 Hope you get all you deserve
 and some happiness too
 I'm sure there's a better man
 Somewhere waiting for you
 But if he doesn't come along
 You know I'll be waiting here for you
 I can find a way to make you love me
 more than you do Caroline
I don't want to waste my time unless I'm loving you
My dear CarolineI can find a way to make you love me
 more than you do Caroline
 No I don't I don't wanna waste my time
 unless I'm loving you
My dear Caroline, Caroline, Caroline, Caroline

No oh Caroline
