Don't Walk Away

Chromeo

I'll say it one more time
And let you know what's on my mind
'Cause it's plain to see
That I love you with every beat of my heart
But it seems to me
That you lost your sense of mobility
Suddenly
We're back to where we were at the start
I wonder what made you cynical
And you decided it was time to go
But don't walk away
And leave me to stay
If you don't turn away
We could be lovers
I could never turn my back on something so deep
Something that was another part of me
'Cause obviously
I owe you every beat of my heart
But it better be
You cannot when we disagree
And it gonna mean
That emotions got us finally apart
I wonder what made you cynical
And you decided it was time to go
But don't walk away
Leave me to stay
If you don't turn away
We could be lovers
But don't walk away
Leave me to stay
If you don't turn away
We could be lovers
I wonder what made you cynical
And you decided it was time to go
But don't walk away
Leave me to stay
If you don't turn away
We could be lovers
But don't walk away

Leave me to stay
If you don't turn away
We could be lovers
