

# Space Dementia

## Muse

H-8 is the one for me  
It gives me all I need  
Helps me co-exist with the chill You make me sick because I adore you so  
I love all the dirty tricks  
And twisted games you play on me Space dementia in my eyes  
Peace will arise and tear us apart  
And make us meaningless again You'll make us wanna die, I'd cut your name in my heart  
We'll destroy this world for you  
I know you want me to feel your pain Space dementia in your eyes  
Peace will arise and tear us apart  
And make us meaningless again
