I'm In Love Again

Linda Lewis

(Linda Lewis)Look at me sitting here alone
Like a wound down broke-up doll
Been stuck on the shelf all by myself
Waiting for your call
Well, your dinner's grown cold and I don't know
If you're out with another lady
'Cause you're sure out playing hard
Playing hard to get lately
YeahLover, you had to say now
Should I go or should I stay now?
Am I just a mistress in distress
Waiting for a half a day now?
All my friends had been settled down
But they must have a Mr. Right
Well, I wish my Mr. Wrong
Will come on back tonightI'm in love, in love
I'm in love, in love again
I'm in love, in love
I'm in love, in love again
I'm in love, in love
I'm in love, in love again
I'm in love, in love
I'm in love, in love againListen to me, let me tell you girls
If you stuck on anyone
Don't stay at home hanging by the phone
When you know he's out having fun
Just put on a little lipstick
Take a trip uptown and get pulled
Don't be like Linda Lewis
Staying home all alone and get fooledI'm in love, in love
I'm in love, in love again
I'm in love, in love
I'm in love, in love again
I'm in love, in love
I'm in love, in love again
I'm in love, in love
I'm in love, in love againI'm in love, in love
I'm in love, in love again
I'm in love, in love

I'm in love, in love again
I'm in love, in love
I'm in love, in love again
I'm in love, in love
I'm in love, in love again
I'm in loveI'm in love, yeah
Bet he misses
He's missing your kisses
It's a shame....
