Too Bad

Patty Larkin

Too bad that we
Never got over ourselves
Too bad that we
Never got a hold of ourselvesIf wings were made for people
We would fly away together
We would fly away down the boulevardIf wings were made for people
No need to run for cover
We would fly away down the boulevardToo bad that we
Never got a chance to believe
Too bad that you
Never got easy to leaveIf wings were made for people
We would fly away together
We would fly away down the boulevardIf wings were made for people
No need to run for cover
We would fly way down the boulevardToo bad that we
Never got to ring all the bells
Too bad that we
Never got over ourselvesIf wings were made for people
We would fly away together
We would fly away down the boulevardIf wings were made for people
No need to run for cover
We would fly away down the boulevardToo bad, too bad
It's just too bad
