

Girl Up

Victoria Justice

Looking out of a dirty window
Its not much, but its all Ive known
Close my eyes and I see a rainbow
But I cant reach the pot of gold
All the things that we take for granted
All the things we dont really need
Those are the things theyve always wanted
Loved girl will replant the seed
The more I think about it
They are just like meWe all need love
We all need hope
We all have dreamsAnd now Im lying sleepless
Just trying to figure it out
If you think about it
It doesnt take much
To help a girl up
Just a little bit of heart and soul
We gotta let them know
Its enough about us
Yeah we can help a girl up
We can help a girl up
Help a girl, help a girl up
Help a girl, help a girl upDont you know?
If a man can move a mountain
We can start an avalanche
Throw a penny in the fountain
One wish
One helping hand
The more I think about it
They are just like meWe all need love
We all need hope
We all have dreamsAnd now Im lying and sleepless
Just trying to figure it out
If you think about it
It doesnt take much to help a girl up
Just a little bit of heart and soul
We gotta let them know
Its enough about us
Yeah we can help a girl upAll the girls in the world stand up

When one of us hurts speak up
Let your voice be heard, dont give up
Cause together we can help a girl up!All the girls in the world stand up
When one of us hurts speak up
Let your voice be heard, dont give up
Cause together we can help a girl up!And now Im lying and sleepless
Just trying to figure it out
If you think about it
It doesnt take much
To help a girl up
Just a little bit of heart and soul
We gotta let them know
Its enough about us
Yeah we can help a girl upWe can help a girl upAll the girls in the world stand up
When one of us hurts speak up
Let your voice be heard, dont give up
Cause together we can help a girl up!All the girls in the world stand up
When one of us hurts speak up
Let your voice be heard, dont give up
Cause together we can help a girl up!
