

# Sd Is Out

## Snoop Dogg

Snoop Dogg is out, you wanna be there partyin'  
All night long until the break of dawn  
Ooh wee, ooh wee, ooh  
Ooh wee, ooh wee, ooh  
Snoop Dogg is out, you wanna be there partyin'  
All night long until the break of dawn  
Ooh wee, ooh wee, ooh  
Ooh wee, ooh wee, ooh  
Now stop, pause, chill for a second  
It's Snoop Dogg and Teddy Riley on the record  
Tell your mama, tell your daddy, tell all your friends  
They got a party that's crackin' and that shit won't end  
Me and my folks, we drink and we smoke, we rockin' the boat  
We pop about four, five more, so  
Bend don't break, break don't bend  
I'm number one with a bullet, I'ma make more ends  
When you're great they gonna hate  
So what, that's probably why we Californicate  
And shake to a whole 'nother elevation  
Catch me in the hood or your favorite television station  
Creatin' a whole 'nother lane for the generation  
I drink Sunkist for the good vibration  
Dippin', rippin', shakin' and bakin'  
I know you've been patiently waitin', I'm back y'all  
Snoop Dogg is out, you wanna be there partyin'  
All night long until the break of dawn  
Ooh wee, ooh wee, ooh  
Ooh wee, ooh wee, ooh  
On your mark, set, party on 3  
4, hit the floor and go for what ya know  
I'm in the party low-key, blowin' an eighth of dro  
I'm playful but I don't play  
Spinnin' the globe like the strobe  
Like the club packed, my flow right the whole night  
If I plan to go right, a cold night  
In hell before I fail, I'm alright  
  
Man, I'm like a flash of lightnin'  
Breath of fresh air, classic debonair

Glass of champagne, hold it in my right hand  
Finger roll cold, Dogg the Ice Man  
Brazil to Iceland  
I shine like a million lights, man  
The talk of the town, believe it or doubt it  
I don't need to shout it, you better read about it  
Snoop Dogg is out, you wanna be there partyin'  
All night long until the break of dawn  
Ooh wee, ooh wee, ooh  
Ooh wee, ooh wee, ooh  
Now pose like a superstar, walk like a model  
I love it when you pop that bottle  
I love it 'cause you're not so automatic  
I love it when you put it where Dogg can grab it  
I got my hands where you'll let me  
I love it when you dance, so sexy  
I love it when you in that night mood  
Slow motion movin' like ain't nothin' like you  
I'm feelin' good doin' what I like to  
Suited up, pimp stripe, light blue  
I let it do what it might do  
Fresh and crispy, the rest a mystery  
I'm blessed with history  
No less than best, catch the rest  
Live in the flesh, smooth with the style I choose  
Not off the stress, I'm hot off the press  
Snoop Dogg is out, you wanna be there partyin'  
All night long until the break of dawn  
Ooh wee, ooh wee, ooh  
Ooh wee, ooh wee, ooh  
Snoop Dogg is out, you wanna be there partyin'  
All night long until the break of dawn  
Ooh wee, ooh wee, ooh  
Ooh wee, ooh wee, ooh
