Good To Me

Brendan Benson

I got a 1980 Volvo
I get in, start it up, and I go
It ain't a vintage Cadillac
But it always gets me there and backAnd it'll always be good to me
Always be good to me
Always be good to me
Always be good to meI got a beat up Supro amp
I plug it in, and it sounds like a Champ
Not a Fender Tweed Deluxe
But it cost me just a couple hundred bucksAnd it'll always sound good to me
Always sound good to me
Always sound good to me
Always sound good to meYeah, so good to me
Oh, so good to me
And these things are all I need
All these things are good to me, yeahI got a girlfriend; she's so true
And no other kind of girls will do
'Cause I've known some girls in the past
The kind of love they got don't lastAnd she'll always be true to me
Always be true to me
Always be true to me
Always be true to meAlways be good to me
Always be good to me
Always be good to me
Always be
