

I Must Have Been Dreaming (Soundminister Remix)

Marcy Playground

You said you never could hurt me
If I believed it man, was I ever dumb
You sing the words very sweetly
But girl you're as cold as the town you're from, yeah Why was I wasting my time, wasting my days
Thinking about you
Oh oh oh, oh oh oh, oh oh oh
I must have been dreaming Since the day that I met you
We both knew that there was something about it
But, oh when we got together
Nothing could have lasted through the chaos you started Why was I wasting my time, wasting my life
I'm better without you
Oh oh oh, oh oh oh, oh oh oh
I must have been dreaming Are all your triumphs so empty?
Are you winning, are you out breaking boys, angel?
Are all your knock-knock jokes still funny, angel? Why was I wasting my time
Wasting my breath, talking about you
Oh oh oh, oh oh oh And if I thought at the time
There was something special about you, oh
I guess I must have been dreaming
Yeah, I must have been dreaming
I must have been dreaming, yeah that's it
I must have been dreaming
