

# Club Can't Handle Me

## Clinton Cave

You know I know how  
To make 'em stop and stare as I zone out  
The club can't even handle me right now  
    Watchin' you watchin' me, I go all out  
The club can't even handle me right now  
The club can't even handle me right now  
I own the night, and I don't need no help  
    Gotta be the feeling that Scarface felt  
Stuntin', go wild can't handle this player  
    Life of the club, arrogant like, yeah  
    Top like money, so the girls just melt  
Want too many, all know me like Twelve  
    Look like cash and they all just stare  
    Bottles, models, standin' on chairs  
    Fall out 'cause that's the business  
        All out, it's so ridiculous  
        Zone out so much attention  
        Scream out, "I'm in the building"  
        They watchin', I know this  
        I'm rockin', I'm rolling  
        I'm holding, I know it  
            You know it  
        You know I know how  
To make 'em stop and stare as I zone out  
The club can't even handle me right now  
    Watchin' you watchin' me, I go all out  
The club can't even handle me right now  
The club can't even handle me right now  
Still feelin' myself, I'm like outta control  
    Can't stop now, more shots, let's go  
    Ten more rounds, can I get a K.O.?  
    Paparazzi trying to make me pose  
    Came to party 'til I came no more  
    Celebrate 'cause that's all I know  
Tip the groupies takin' off their clothes  
    Grand finale like Superbowl  
        Go hard, run the show  
    That's right, while I've got money to blow  
    More lights, more ice when I walk in the door

No hype, do it big all over the globe  
I said it, go tell it  
Confetti, who ready?  
I'm ready, you ready  
Let's get it  
You know I know how  
To make 'em stop and stare as I zone out  
The club can't even handle me right now  
Watchin' you watchin' me, I go all out  
The club can't even handle me right now  
(Put your hands up)  
(Put your hands up)  
(Put your hands up)  
The club can't even handle me right now  
(Put your hands up)  
(Put your hands up)  
(Put your hands up)  
You got me watchin' now, got my attention now  
Got everybody in the club wanting to know now  
I am a ladies man, come be my lady and  
We can ball, so, ah  
Bring ya body here, let me switch up your atmosphere  
Take you up out of the club and up in my new limo  
Fly you all around the world  
What you want baby girl, are you ready to go now?  
You know I know how  
To make 'em stop and stare as I zone out  
The club can't even handle me right now  
Watchin' you watchin' me, I go all out  
The club can't even handle me right now  
(Put your hands up)  
(Put your hands up)  
(Put your hands up)  
The club can't even handle me right now  
(Put your hands up)  
(Let's celebrate now)  
(Put your hands up)  
(You know who shut it down)
