

# Come Touch Me

**Bobby Valentino**

[verse 1]It's one of those nights girl

You know just what I need I don't have to spell it out you bring out the freak in me ooh something

Terrible I'm getting sweaty right now so[chorus]

Please come touch me (yeah)

I need it right now so do what you do and please me (alright) kiss me right there baby nice and slow[verse 2]
