[Verse 1]

I honor my word as me I will put myself on the top  
Of my own totem pole I know my soul it will let me drop  
Like diddy n biggy baby I wont stop, no I won't stop  
Call me a firecracker now you're after all I got  
Writtin to my very own chapter delete the rapture and that big crock  
Of shit won't quit you'll see planting my seed I reap and sow  
Wont quit this bitch read palms Write songs about all that I know  
But see I am not concerned bout what Ive not learned I burned it all  
Cause you know there's work to do  
Many mothafucker got it worse than you  
Its time to make the rainbow crew  
Let me see that a calm leader come through  
I am a reflection of yes your are quite badass too  
Oh yes a leader you're a teacher  
mixed me in your beaker

[Chorus]

The clock ain't ticking the worlds transformed  
now see it with me you have been warned  
Takeover inside, release that stale mind  
And start a new, then monkey see monkey do.  
See No Evil  
monkey do  
Here No Evil  
then monkey see monkey do  
Speak no evil  
monkey do  
You were never evil  
Then Monkey See Monkey Do

[Verse 2]

Rainbow warrior we all are here  
The prophecy says the time the it is near

So not itâ€™s on weâ€™ll rock some worlds  
Join me and my nakturnal girls  
Know deep inside you hold the key  
Your DNA of destiny  
Set forth by elders working hard  
To restore the freedom of our star  
So many ancestors remain  
They need us to make right their name  
Release the words that say that you  
Are not perfect, powerful  
You know we need you just like I need my breath  
You make us see right thru into our own oceans depth  
And when you leave me feels my own death  
We are together its forever We are a team, my friend.

[Chorus]

The clock ainâ€™t ticking the worlds transformed  
now see it with me you have been warned  
Takeover inside, release that stale mind  
And start a new, then monkey see monkey do.

See No Evil

monkey do

Here No Evil

then monkey see monkey do

Speak no evil

monkey do

You were never evil

Then Monkey See Monkey Do

[Monkey Madness Breakdown]

(Weâ€™re gonna win)

See No Evil

Here No Evil

Speak no evil

You were never evil

Then Monkey See Monkey Do

[Chorus]

The clock ainâ€™t ticking the worlds transformed  
now see it with me you have been warned  
Takeover inside, release that stale mind  
And start a new, then monkey see monkey do.

See No Evil

monkey do

Here No Evil

then monkey see monkey do  
Speak no evil  
monkey do  
You were never evil  
Then Monkey See Monkey Do
