

Dreams

Joseph SoMo

You should have seen Tuesday's dream dancing in my head
For you'd have heard a thousand words that nobody have said
And you'd have watched me try to run where dreams have never strayed
 Heard my cries because I knew I really was afraid
 Dreams, dreams I'll never keep
 My body rests but my eyes refuse to sleep
 Sights and sounds my mind created
 Far beyond the thoughts of which we speak
 Come on!
And then we danced on silver wings upon a gilded thread
I heard the song the Angel sings to bless my lowered head
 And at the door of paradise my best laid plan begun
But as I turned to reach for you, my colored knight, it was gone

 Dreams, dreams I'll never keep
 My body rests but my eyes refuse to sleep
 Sights and sounds my mind created
 Far beyond the thoughts of which we speak
And then we danced on silver wings upon a gilded thread
I heard the song the Angel sings to bless my lowered head
 And at the door of paradise my best laid plan begun
But as I turned to reach for you, my colored knight, it was gone
 Dreams, dreams I'll never keep
 My body rests but my eyes refuse to sleep
 Sights and sounds my mind created
 Far beyond the thoughts of which we speak
