

# Untamed Girls

## The Raveonettes

You came into my town  
You came and you fell down  
Sweet summer all around  
Can it feel it going down again

Spend some time with you  
Don't care what you want to do  
I want to find some words too say  
Come on and make me stay

Come on and do your thing  
Come on and make it go  
Some times it feels like rain  
All the time it feels like pain  
Time
