Il Macquillage Lady

Sister Sledge

french intro...
look in her face, can you see through?
all the deep mascara and the red rouge
she'll do, to make her beautiful
does her lipstick do the trick?
woohoo hoochorus:she's an il macquilage lady
hiding in a mask of fantasy
she's an il macquilage lady
painting on illusions of what she really wants to beglamour girl, needs a paint brush
all it takes, erase and make a better face
take time, she can be so fine
makeup, magic makeup he'll adore
hoo hoochorus
