

You're All That I Want

Kiss

You're the only girl I've been dreamin' of
You're the only woman I ever loved
I want you to believe it's true
There's nothing I would rather do
My heart belongs to you and no one else You're all that I want
You're all that I need
You're all that I see
You're everything to me
You're all that I want And you need to feel my love inside
And I need to show what I can't hide
It's something that you just can't fight
It feels so good it must be right
There ain't no use in lyin' to myself You're all that I want
You're all that I need
You're all that I see
You're everything to me
You're all that I feel
You're my dream come true
You're my everything
No matter what you do
You're all that I want And if you leave me
Don't say goodbye
'Cause you're all I need to get by You're all that I want
You're all that I need
You're all that I see
You're everything to me
You're all that I feel
You're my dream come true
You're my everything
