

Hi

Jon Robert Quinn

A little boy
In a little city
I had no friends
It wasnt pretty

And I just did
What I had to do
And I went home
Or went to school

And I just there
Were all alone
With my mama
We were on the phone

Until one day
I went to school
I saw a girl
The perfect jewel

So what do I do
Where do I go
Well Ive never been there
So I dont know
And I dont know
Or even why
If Ill introduce myself
Or just say hi

I had no friends
I knew nobody
I did my chores
I had no hobby

I saw her again
With some guy
Just laughin and talkin
Walking by

So what do I do

Where do I go
Ive never been there
So I dont know
I dont know
Or even why
If Ill introduce myself
Or just say hi

Ten years later
I see her again
With her husband
And children

Ten years later
I see her again
With her husband
And children

Where do I go
Ive never been there
So I dont know
I dont know
Or even why
If Ill introduce myself
Or just say hi
