Lucky Me

Mindy McCready

I'm not angry, why should I be angry?
I'll have another glass of wine
You're late an hour, really what's an hour
In the larger scheme of timeYeah you're right I don't deserve you
Yeah there's no pleasing me, yeah sure
You could have anyone you want
You're too good to be real
You're every woman's dream, lucky meCount my blessing, I shall count my blessing
Let me see where should I start
One, you're really handsome
Two, you're really handsome
Three, I never get that farYeah you're right I don't deserve you
Yeah there's no pleasing me, yeah sure
You could have anyone you want
You're too good to be real
You're every woman's dream, lucky meKeep my voice down
I should keep my voice down
God for bid someone should hear
Oh I'm so sorry, really really sorry
Can you please forgive me dearYeah you're right I don't deserve you
Yeah there's no pleasing me, yeah sure
You could have anyone you want
You're too good to be real
You're every woman's dream, lucky meYeah you're right I don't deserve you
Yeah there's no pleasing me, yeah sure
You could have anyone you want
You're too good to be real
You're every woman's dream, lucky me
Lucky me, lucky me, lucky me
